by [Purushottam Kulkarni](#) - Thursday, 9 May 2024, 6:16 PM

1. Grades for CS695 are finalized and are now available on ASC.  
Hope you had a good and positive learning experience.  
Best wishes.

The TAs and the instructor benefitted a lot from the course.

### 2. **Shining diamonds of A4**

There were several nice A4 topics/ideas complimented by quality and novelty of work.

Following is a honor list for special mention ...

#### (i) *Container primitives in xv6*

Team Name: Project as a service

Members: Kevin and Arnab

#### (ii) *FaaS + K8s = Faast!*

Team Name: DFaaSt

Members: Santhosh and Siva Prasad

#### (iii) *Faast*

Team Name: Yaml Yoda

Members: Soumik and Arif

#### (iv) *Working Set Size: Estimation and Analysis*

Team and member: Nitish
